### PROFESSIONAL EXPERIENCE

**Team leader, Project Management Unit EY LLP, Patna (Dec 2014-Jan 2015):** A short duration consultancy project of Bihar State Tourism Development Corporation, Government of Bihar, which involved preparation of Request for Proposals to be issued by the Corporation for inviting Expression of Interest from reputed players for the growth and development of tourism in the State. The assignment was completed in a timely manner.

#### **Bihar Urban Infrastructure Development Organisation Chief General Manager May 10-June 14**

- The organisation is tasked with execution of all projects related to Urban Infrastructure Development in the State of Bihar and I was reporting to the Managing Director in my capacity of Chief General Manager since its inception.
- Have headed and mentored a team which was 5 in nos. at the inception stage and grew up to 50 engineers subsequently.
- maintenance of oversight on preparation of Detailed Project reports and presenting prospective projects totalling INR 28.30 billion to Financiers such as the Asian Development Bank, World Bank and various agencies of the Central and State government. These projects were prima facie related to solid waste Management, 24x7 water supply, sewerage network and sewage treatment plant, roads, parks, river, front development, bus terminus & bus purchase
- In charge of maintaining Technical oversight over the implementation of various projects. Some of the projects completed/under progress during my tenure are as below:
  - I. **Rajgir Drainage & Sewerage Project:** Establishing a 20 mile underground long storm water drainage and sewerage system in a densely populated city.
  - II. **Bodh Gaya Water Supply & Sewerage Project:** Establishing underground sewerage system and 10 MLD sewerage treatment plant. The project also involved upgrading and enhancing the water supply facilities to the town.
