Note:

- a) No bid shall be eligible for evaluation unless a certificate to the effect that the prices being offered are not higher than the prices offered to any government department as on the day of bidding is to be given by every bidder. In case, if at any point of time it is found that the rates offered to The Purchaser are higher than the rates offered to other Department for the similar make & model, the vendor would be liable to pay the differential amount to The Purchaser failing which the MoU/Empanelment Agreement shall be cancelled and performance security forfeited.
- b) The Bidders are required to furnish documents to establish their eligibility (as per the format defined in Annexure 12) for each of the above clauses. Relevant portions, in the documents submitted in pursuance of eligibility criterion mentioned above, should be highlighted. If bid is not accompanied by all the above documents mentioned, the same would be rejected. Undertaking for subsequent submission of any of the above document will not be entertained. However, the Purchaser reserves the right to seek fresh set of documents or seek clarifications on the already / submitted documents. All documents should be submitted in hardcopy (one set) as well as softcopy (one set on read only CD).
- c) Upon verification, evaluation / assessment, if in case any information furnished by the Bidder is found to be false / incorrect or incomplete, their bid shall be summarily rejected and no correspondence on the same shall be entertained.
- d) The Bid Submitted by any Bidder not fulfilling the Eligibility Conditions as per Section 4 above will not be considered. The bidder should also adhere to the Annexure-1 and Annexure-7 with a declaration from an authorized signatory. A copy of Power of Attorney should also be attached along the same.
- e) Each Annexure will be treated as a separate bid for purpose of evaluation, processing and ordering.

Technical Evaluation

The technical evaluation will be done for only those bidders who qualify the eligibility criteria.

- a) Technical Evaluation Committee (TEC) set up by The Purchaser will carry out a detailed evaluation of the Technical Bids received by it in order to determine whether they are substantially responsive to the requirements set forth in the bid. In order to reach such a determination, Tender Evaluation Committee will examine the information supplied by the Bidders, and shall evaluate the same as per the evaluation criteria specified in this EOI
- b) Technical evaluation would be carried out for each of the item being empaneled. The Technical evaluation criterion will be compliance against the technical specifications mentioned in Volume 2 of this EOI. The decision of the evaluation committee in this regard would be final.

During Technical Evaluation, the quoted product shall be physically verified for the required bid specifications, tested for reliability, functionality, benchmarked and other features as decided by TEC / BUIDCo. In case the vendor fails to bring the quoted products within the prescribed limit given by the the Purchaser for evaluation, the bid shall be rejected and EMD forfeited. In case TEC decides to inspect the equipment's at Bidder's / OEM's premises, the expenditure on travel and stay will be borne by the Bidders. The Purchaser may if desired change the evaluation method / procedure as per their convenience and requirement.

- c) If during the technical evaluation, any of the System fails the performance / acceptance testing then no subsequent chance will be given to the Bidder.
- d) In their own interest, the bidders are advised to ensure that all the items brought by them for evaluation conform to all tendered technical parameters / specifications and are functional. Systems not meeting complete bid specifications will not be considered for evaluation.
- e) For Technical Evaluation, Bidders have to ensure the availability of appropriate specialist, along with every type of documentation and consumable required, from their organization for interacting with TEC and evaluation team as and when required. If the required specialist along with proper documentation is not made available by Bidders, then the bids for such defaulting Bidders will be rejected.

Financial Evaluation

The Financial proposal of only those bidders who qualify in the technical evaluation would be opened.

- a) The evaluation committee would determine for each item whether the Financial Proposals are complete and unconditional.
- b) The total price indicated in the Financial Proposal shall be considered for this purpose.
- c) Percentage (%) of **taxes** etc. if any, to be claimed shall be indicated in the Price bid, otherwise it will be presumed that rates are inclusive of all taxes and no plea would be accepted in this regard after opening of the bids and during the validity of the empanelment. Variation in tax rates has to be borne by the Purchaser.
- d) The cost indicated in the Financial Proposal shall be deemed as final and reflecting the total cost of Supplies ('Bid Price'). Omissions, if any, in costing any item shall not entitle the bidder to be compensated and the liability to fulfill its obligations as per the Scope of Work within the total quoted price shall be that of the bidder. Failure to abide the tender conditions may result into forfeiture of EMD.

- e) Any conditionality included in the financial bid will lead to summary disqualification of the entire bid and forfeiture of the EMD.

Empanelment of Bidders

- a) A maximum of 4 bidders will be empaneled for an equipment or vehicle. Purchaser reserves the right to waive this condition in certain categories of items/products.
- b) The bidder who has the lowest financial price would be termed as L1 for that particular item. The bidder quoting as second lowest would be L2, L3 and so on
- c) All technically qualified bidders have to match the L1 price of similar specification. The Purchaser reserves the right to waive this condition in certain categories of items/products.
- d) The maximum period allowed for matching the L1 rates by any Bidder will not be more than 7 working days from the date of issuance of offer letter from The Purchaser. If the Bidder fails to match the L1 rates within stipulated time as stated above, the offer will be treated as withdrawn.
- e) If the price difference between L1 and L2 is more than 20%, The Purchaser reserves the right to disqualify the L1 bidder, Final decision will rest with The Purchaser in this regard.
- f) The Purchaser reserves the right to cancel the entire bidding process at any point of time without any justification.
- g) The empanelment under this bid, is exclusively for the procurements proposed to be made by The Purchaser during the validity of the empanelment or its extended period of validity.
- h) The empanelment will be valid for a period of 36 (Thirty-Six) months in the first instance from the date of empanelment. It may be extended for a further period, if required by the Purchaser with mutual consent.
- i) All empaneled Bidders shall have to enter into a written agreement with The Purchaser for honoring all bid conditions and adherence to all aspects of fair trade practices in executing the purchase orders placed by The Purchaser on behalf of its client departments.
- j) Any reduction in prices of items due to Government or Company Policy should be passed on to The Purchaser.
- k) In case, if at any point of time it is found that the rates offered to the Purchaser are higher than the rates offered to other Department for the similar make & model, the vendor would be liable to pay the differential amount to the Purchaser failing which the Performance Security will be forfeited and empanelment will be canceled.
- l) In the event of an empaneled Company or the concerned division of the Company is taken over / bought over by another company, all the obligations and execution responsibilities under the agreement with the Purchaser, should be passed on for compliance to the new company. If the acquiring company does not honor the obligations and the execution responsibilities agreed with the Purchaser, the rate contract with the firm will be terminated and PBG shall be forfeited.
- m) In case any selected L1 bidder does not sign the empanelment within seven days of communication from the Purchaser, the offer would be treated as withdrawn and the bidder's EMD will be forfeited. If other (L2, L3, L4 etc.) bidders refuses to sign the empanelment after matching L1 rates, their EMD will be forfeited and offer will be extended to other qualified bidders to make a panel. Such defaulting

bidder may also be debarred from participating in the Purchaser bids for a period of Three years.

- n)** In case of empaneled bidder is found in breach of any condition(s) of bid or supply order, at any stage during the course of supply / installation or warranty period, the legal action as per rules/laws, shall be initiated against the bidder and EMD/Security Deposits shall be forfeited, besides debarring and blacklisting the bidder concerned for at least five years, for further dealings with the Purchaser.
- o)** The bidder should declare their preferred business partner in case they are not bidding directly.
- p)** The Purchaser may, at any time, terminate the empanelment by giving written notice to the empaneled vendor without any compensation, if the empaneled vendor becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.
- q)** Bid Validity Period: The bid shall be valid for a period of 180 days from the date of submission
- r)** The Purchaser reserves the right to suspend the short-listing process, accept or reject any or all bid at any stage of the process and or modify the entire process or any part thereof at any time without assigning any reason whatsoever.
- s)** Bids are to be submitted in hardcopy (two sets) and Soft Copy (One Sets) latest by the date and mentioned in Clause 7 in the BUIDCo office as per the address given there in.

Instruction to Bidders:
