

Prebid Question & Reply

Name of Work : Begusarai Sewerage Network and STP Project			
Ref. NIT No. : BUIDCo/Yo-881/2017-68, Date-25.09.2018			
S. No.	Conditions as per Tender Document	Pre-bid Queries	Reply
1	A) It has designed, developed, built, tested and commissioned at least one Sewerage Network of 59 km length out of which 10 KM should be equal to and above 300mm dia pipe during the last 7 years preceding the bid submission date. B) It has designed, developed, built, tested and commissioned at least one pumping stations having minimum capacity not less than 17 MLD during last 7 years (i.e. Year 2011-12 to Year 2017-18)	A) It has designed, developed, built, tested and commissioned at least one sewerage network/waste water of 15 km length out of which 10 km should be equal to and above 2000mm dia pipe during the last 7 years preceding the bid submission date. B) It has designed, developed, built, tested and commissioned at least one pumping stations having minimum capacity not less than 17 MLD during last 7 years (i.e. year 2011-12 to year 2017-18)	Bid Condition Prevail
2	A) It has operated and maintained at least one Sewerage Network of 59 km length for a period of 1 year during last 7 years. B) The bidder should have successfully operated and maintained atleast one sewerage pumping station for capacity not less than 17 MLD for a period of one year during last 7 years.	A) It has operated and maintained at least one Sewerage Network/Waste Water of 15 km length for a period of 1 year during last 7 years. B) The bidder should have successfully operated and maintained atleast one sewerage pumping stations for capacity not less than 17 MLD for a period of one year during last 7 years.	Bid Condition Prevail
3	Experience of designed, developed, built, tested and commissioned sewer line of minimum 2.0 km of length using trenchless technology of minimum diameter 150mm and above during last 7 years (i.e. Year 2011-12 to Year 2017-18)	Experience of designed, developed, built, tested and commissioned sewer line of minimum 175 Meter of length using trenchless technology of minimum diameter 150mm and above during last 7 years (i.e. Year 2011-12 to Year 2017-18).	Bid Condition Prevail
4	Section 2. Joint Ventures Page no-118 of 585 2.1 Qualification Criteria: Each JV partner shall have experience of building & commissioning either an STP or a Sewerage Network during the last 7 Years	In case the eligible experience criteria of STP and Sewerage Network is met by Lead Partner of a JV/Consortium alone in line to the requirement mentioned in clause no 2.1 (a) Page no-118 of 585, Bidder's understanding is that a firm having experience of sewerage pipe laying/construction of STP as subcontractor (in past contracts) and willing to associate as JV partner can qualify against the JV/Consortium partner requirement for this bid. Kindly Confirm.	The bid conditions are self-explanatory. Each JV partners must have the requisite experience.

6	<p>Section 1. Qualification on Criteria</p> <p>116 of 585</p> <p>1.4 Experience in Construction and Operation and Maintenance of Sewage Treatment Plant and Sewerage Network</p> <p>(a) 3. One Sewage Treatment Plant of 15 MLD capacity for secondary treatment of sewage based on any process technology for a period of 01 year during the last 7 years preceding the bid submission date.</p>	<p>In view to bring uniformity towards the qualification criteria sought for O&M of 15 MLD STP criteria in the aforesaid tender, it is requested to kindly amend the said clause as:</p> <p>"The Bidder has the experience in operating and maintaining successfully at least on Sewage Treatment Plant of 15 MLD capacity for secondary treatment of sewage based on any process technology for a period of 02 years during the last 7 years preceding the bid submission date."</p> <p>Please note that recently, similar qualification criteria was accepted by BUIDCO for the tenders invited under World Bank Funding. Namely:</p> <p>1. Sewerage works in Digha and Kankarbagh zones of Patna. (IFB No. IN-BUIDCO/Yo-91/I/18-32, Date-15.05.2018)-World Bank Funded.</p> <p>2. Sewerage works in Bhagalpur. (IFB No. IN-BUIDCO/Yo-958/18-58, Date-24.08.2018)-World Bank Funded.</p>	<p>Bid Condition Prevail</p>
7	<p>Section 1. Qualification on Criteria</p> <p>117 of 585</p> <p>1.4 Experience in Construction and Operation and Maintenance of Sewage Treatment Plant and Sewerage Network</p> <p>(b) For the purpose of demonstrating compliance with sections 1.4 (a) 2, 1.4 (a) 6, 1.4 (a) 7 the Bidder, whether a single entity or a joint venture Bidder may claim the experience of its sub-contractors and sub-consultants nominated in the information forms</p> <p>Bidder having experience of works issued directly from government departments shall only be considered, works executed as sub-contractor from non-government agencies shall not be considered.</p>	<p>As per the referred clause the bidder is allowed to nominate a sub-contractor/sub consultant in order to meet the experience criteria. However, since the sub-contractor/sub-consultants are the firms engaged by the main contractor for specific work component and thus cannot avail an experience certificate directly from the Govt. Department. Bidder therefore understands that the requirement of "experience of works issued directly from government departments" is valid for bidder only not for Nominated sub-contractor/sub-consultants.</p> <p>Please confirm bidder's understanding.</p>	<p>Please see the revised clause of 1.4 (b) as per the Point no. 2 of Addendum-1.</p>
