M/s WAPCOS Ltd. (Patna) It is understood that after selection of any consultant, allocation of project(s) will be done in between the empanelment duration of three years, but that time cannot be assessed at present. In addition, payment to the consultant is on deliverable basis and thus it would be very difficult for a consultant to keep its personnel stationed for the whole three years of empanelment at one place in lieu of any project allocation. In this scenario, replacement of CV becomes unavoidable and therefore, it is requested that the criteria of deduction in consultancy fee for CV replacement viz. (10% for Team Leader and 5% for other key personnel) may kindly be eliminated.	Allow change of CVs with equal as better qualification Deduction will be applicable if any task assigned.
